Space:Maker Expressions™ –Features

- Contemporary appearance.
- Continuous finger grip on all panels.
- Multiple panel variety for individual “look”, provides for almost endless options.
- Large 41mm diameter rollers and brackets for quiet operation and ease of adjustment.
- Design Registered anti-jump head guide prevents door panels from jumping off bottom track.
- Matching infill buffers on grip stile.
- Foot-friendly, easy-to-clean track.
- Ten year guarantee on frame and components.
- **Space:Maker Expressions™** represents a variation of the Australian Design Award winning **Space:Maker Softline™** Sliding Wardrobe Door System.

Design Flexibility

Made to suit your individual requirements.

Space:Maker Expressions™ wardrobes are suitable for either wall-to-wall, recessed or corner return installations. Constructed from high quality aluminium extrusions **Space:Maker Expressions™** is designed to suit most situations and door heights up to three metres.

Whisper Quiet Roller Operation

Large 41mm diameter roller housed in a strong galvanised metal adjustment bracket, ensures ample roller adjustment and whisper quiet operation at all times. Open design and construction enables easy cleaning, reducing the accumulation of dust.

Multiple Panel Types

Space:Maker Expressions™ innovative design allows for multiple panel types and finishes to be used in the fabrication of a single sliding door, to create an individual and unique look or colour scheme. Door Panels are available in clear or tinted anti-shatter safety-backed mirror panels, plus an extensive range of coloured safety glass options. A wide range of acrylic and wood grain finishes are also available.

Product Guarantee

Space:Maker Expressions™ components and frames carry a 10 year guarantee when used under normal operating conditions.

Safety

Space:Maker Expressions™ Sliding Wardrobe Door System is glazed to comply with the requirements of Australian Standards AS 1288 and or AS 2208.

Low Profile Bottom Track

Space:Maker Expressions™ features a foot friendly unobtrusive, low profile bottom track, which is easy to clean. The smart “V” groove design virtually eliminates roller side-play producing a smooth sliding operation.

Modern Contoured Cushioning

Matching infill buffer with grip stile eliminates metal to metal contact and gives **Space:Maker Expressions™** a smooth, modern contoured appearance.

Perfectly Secure Panels

A Design Registered head guide and metal bracket system with inbuilt anti-jump feature ensures a totally secure door panel, which cannot jump the track and maintains a quiet rattle free door operation at all times. Additional panel strength / rigidity is achieved through the interlocking panel divider rail.

Exceptional Value

Indulge your imagination and create the absolute premium wardrobe design at a surprisingly affordable price.
