# Nautilus™ 4010

## FRAMED PIVOTING SHOWER SCREEN SYSTEM WITH FULLY FRAMED DOOR

Nautilus™ 4010 features a slimline, low profile twin tiered sill design.

### Exceptional Value

Nautilus™ 4010 provides the opportunity to indulge your imagination and create the absolute premium bathroom design at a surprisingly affordable price.

### Adjustment

Provides up to 15mm return jamb and wall channel adjustment for out-of-square walls; for ease of installation providing further cost savings and value.

### Handle Selection

An extensive range of continuous double-handle styles are available in magnetic and non-magnetic configurations.

### Components

Component and design features combine to provide convenience and colour co-ordination.

- Snap Caps
- Dress Trims
- Pivot Blocks
- Anti-bacterial clear (i.e. frost) and colour matched glazing vinyl.

### Slimline

Nautilus™ 4010 is a visually appealing, highly functional, slimline (25mm wide) framed shower screen system, which features fully framed door and 'slimline' return jambs.

The Profile™ 2040, Contour™ 2050, Mirage 3050™, Eden 3040™ and Vogue 5050™ Perimeter Framed Shower Screen Systems.

### Design Flexibility

Nautilus™ 4010 Shower Screen Systems can be designed for installation into most bathrooms. Ask your distributor for advice on a design to suit your needs.

### Low Maintenance

Smooth contoured profiles minimise soap and residue accumulation and the need for cleaning.

### Design registered Pivot Mechanism

Utilising a stainless steel pivot pin, the Nautilus™ 4010 Shower Screen System features a 'positive close' low friction design mechanism, providing the benefit of whisper quiet and trouble free operation.

The 'lowering' effect of the design automatically reduces the gap between door and sill on door closure, which further assists with elimination of external splashing and improved water resistance.

### Glass Size

Designed specifically for use with 6.38mm laminated safety glass. Will accept four (4), five (5) and six (6) mm toughened glass if desired.

### Water Resistance

Nautilus™ 4010 is fabricated to provide a high level of water resistance and eliminate external splashing, for a drier safer bathroom floor.

### Safety

Nautilus™ 4010 Shower Screen Systems are glazed to comply with the requirements of Australian Standards AS2208 and AS1288.
