

Space:Maker Panel Door™

Sliding Wardrobe Panel Door System

Australian
Design Award

Space:Maker Panel Door™
This quality product represents a
variation of the Australian Design
Award-winning **Space:Maker**
Softline™ Sliding Wardrobe
Door System.

Independent specialists have carefully assessed it against
42 design factors covering:

- Performance • Maintenance • Value • Ease of use
- Durability • Appearance • Safety • Construction

The Australian Design Award recognises well-designed
products of International Standard.

STANDARDS AUSTRALIA ✓

Proudly Australian made and exported

Features

- round, modern appearance
- concealed convex 41mm diameter rebated rollers and brackets for quiet operation and ease of adjustment
- innovative head guide device prevents door panels from jumping off the track
- optional continuous finger grips on all panels as required
- matching infill buffers on finger grips
- foot-friendly, easy-to-clean track
- 10-year guarantee on frame and components.

Design Flexibility

Made to suit your individual requirements.

Space:Maker Panel Door™ wardrobes are suitable for either wall-to-wall or corner return installations. Constructed from high quality aluminium extrusions, **Space:Maker Panel Door™** is designed to suit most situations and ceiling heights up to 2.4 metres.

Exceptional Value

Indulge your imagination and create an absolutely premium wardrobe design at a surprisingly affordable price.

Safety

Space:Maker Panel Door™ Sliding Wardrobe Door System is glazed to comply with the requirements of Australian Standards AS 1288 and AS 2208

Product Guarantee

Space:Maker Panel Door™ components and frames carry a 10-year guarantee when used under normal operating conditions.

Modern Contoured Cushioning

Matching infill buffer with grip stile eliminates metal-to-timber jamb contact and gives **Space:Maker Panel Door™** a smooth, modern contoured appearance.

Low Profile Bottom Track

Space:Maker Panel Door™ has foot-friendly (unobtrusive, low-profile design), easy-to-clean track, roller side-play is virtually eliminated, producing a smoother sliding operation.

Perfectly Secure Panels

Innovative head guide feature, which is incorporated in the head channel spacers, ensures the panels cannot jump the track and provides quiet rattle-free operation.

Panel Variety

Space:Maker Panel Door™ is available in a variety of 38mm core door designs and patterns which allow you to match existing doors in the home.

Concealed Convex Roller

Large diameter convex rollers and strong galvanised adjustment brackets, which are rebated and concealed in the door bottom, ensure quiet operation and ease of adjustment for out of square situations.
