## SLIDING WARDROBE DOOR SYSTEM

### Exceptional Value

Indulge your imagination and create an absolutely premium wardrobe design at a surprisingly affordable price.

### Features

- Triple track system allows greater accessibility to wardrobe contents i.e. allows two-thirds of the wardrobe to be accessed at one time.
- Round modern appearance.
- Large 41mm diameter roller and bracket for quiet operation and ease of adjustment.
- Design registered anti-jump tracking device prevents door panels from jumping off the track.
- Matching infill buffers on grip stile.
- Continuous finger grip on all panels.
- Foot friendly, easy to clean track.
- 10 year Guarantee on frame and components.
- **Space:Maker Triline™** represents a variation of the Australian Good Design Award® winning **Space:Maker Softline™** Sliding Wardrobe Door System.

### Panel Variety

**Space:Maker Triline™** is available in clear or tinted anti-shatter safety backed mirror panels and coloured safety glass. A wide range of acrylic, wood grain and vinyl finishes are also available. Plain panels for painting or wallpapering are an alternative for the do-it-yourself enthusiast.

### Safety

**Space:Maker Triline™** Sliding Wardrobe Door System is glazed to comply with the requirements of Australian Standards AS1288 and AS2208.

**Obligation-free measure & quote** Please call for an obligation-free measure and quote, and also ask for details on matching:

### Design Flexibility

Made to suit your individual requirements. **Space:Maker Triline™** wardrobes are suitable for either wall to wall, freestanding or corner return installations. Constructed from the highest quality Australian made aluminium extrusions, **Space:Maker Triline™** is designed to suit most situations and ceiling heights up to three metres. The continuous finger grip on all door panels provides additional strength and ease of use.

### Perfectly Secure Panels

An anti-jump feature, which is incorporated in the head channel spacers, ensures the door panels cannot jump the track and are perfectly aligned providing quiet, rattle-free operation at all times.

### Modern Contoured Cushioning

Matching infill buffer with grip stile eliminates metal to metal contact and gives **Space:Maker Triline™** a smooth contemporary contoured appearance.

### Product Guarantee

**Space:Maker Triline™** components and frames carry a 10 year guarantee when used under normal operating conditions.

### Whisper Quiet Roller Operation

Large 41mm diameter roller housed in a strong galvanised metal adjustable bracket, ensures ample roller adjustment and whisper quiet operation at all times. Open design and construction reduces dust accumulation and enables easy cleaning.

### Bottom Track

**Space:Maker Triline™** with foot friendly, unobtrusive, low profile design and easy to clean track, roller side play is virtually eliminated, producing a smoother sliding operation.
